Dear Corey:

I would like to take this opportunity to thank you for the wonderful program you provided for Camp Cape May. Not only did the children learn about fire prevention, your way of presenting it will help them to remember it. However, the ride on the fire engine, they all agreed was the best!

You were kind and courteous and the children enjoyed your presentation.

Hopefully you will be able to squeeze us into your schedule again next summer.

Sincerely yours,

Linda Ewing
